Service Guarantee: Express Mail international mailings are not covered by this service agreement. Military shipments delayed due to customs inspections are also excluded. If the shipment is not received at a designated USPS Express Mail facility on or before the specified deposit time for overnight or second delivery day delivery to the addressee, delivery to the addressee or agent will be attempted before the applicable guaranteed time. Signature of the addressee's agent, or delivery employee is required upon delivery. If a delivery attempt is not made by the guaranteed time and the mailer files a claim for a refund, the USPS will refund the postage, unless the delay was caused by: proper detention for law enforcement purposes; strike or work stoppage; late deposit of shipment; forwarding, return, incorrect address, or incorrect ZIP code; delay or cancellation of flights; governmental action beyond the control of the Postal Service or air carriers; war, insurrection, or civil disturbance; breakdowns of a substantial portion of the USPS transportation network; resulting from events or factors outside the control of the Postal Service or acts of God.

A notice is left for the addressee when an item cannot be delivered on a first attempt. If the item cannot be delivered on the second attempt and is not claimed by the addressee within five days of the second attempt, it will be returned to sender at no additional postage.

Please consult your local Express Mail directory for noon and 3 p.m. delivery areas and for information on international and military Express Mail services. See the Domestic Mail Manual for details.

Insurance Coverage: Insurance is provided only in accordance with postal regulations in the Domestic Mail Manual (DMM) and, for international shipments, the International Mail Manual (IMM). The DMM and IMM set forth the specific types of losses that are covered, the limitations on coverage, terms of insurance, conditions of payment, and adjudication procedures. Copies of the DMM and IMM are available for inspection at any post office and online at pe.usps.gov. If copies are not available and information on Express Mail insurance is requested, please contact postmaster prior to mailing. The DMM and IMM consist of federal regulations, and USPS personnel are NOT authorized to change or waive these regulations or grant exceptions. Limitations prescribed in the DMM and IMM provide, in part, that:

- The contents of Express Mail shipments defined by postal regulations as merchandise are insured against loss, damage, or rifling. Coverage up to \$100 per shipment is included at no additional charge. Additional merchandise insurance up to \$5,000 per shipment may be purchased for an additional fee; however, additional insurance is void if waiver of the addressee's signature is requested.
- Coverage extends to the actual value of the contents at the time of mailing or the cost of repairs, not to exceed the limit fixed for the insurance coverage obtained.
- Items defined by postal regulations as "negotiable items" (items that can be converted to cash without resort to forgery), currency, or bullion are insured up to a maximum of \$15 per shipment.
- For international Express Mail shipments, insurance coverage may vary by country and may not be available to some countries. Indemnity is not paid for items containing coins, banknotes, currency notes (paper money); securities of any kind payable to the bearer; traveler's checks; platinum, gold, and silver (manufactured or not); precious stones, jewelry, and other valuable or prohibited articles.
- Items defined by postal indemnity regulations as "nonnegotiable documents" are insured against loss, damage, or rifling up to \$100 per shipment for document reconstruction, subject to additional limitations for multiple pieces lost or damaged in a single catastrophic occurrence. Document reconstruction insurance provides reimbursement for the reasonable costs incurred in reconstructing duplicates of nonnegotiable documents mailed. Document reconstruction insurance coverage above \$100 per shipment is NOT available, and attempts to purchase additional document insurance are void.
- No coverage is provided for consequential losses due to loss, damage, or delay of Express Mail, or for concealed damage, spoilage of perishable items, and articles improperly packaged or too fragile to withstand normal handling in the mail.

COVERAGE, TERMS AND LIMITATIONS ARE SUBJECT TO CHANGE. Please consult Domestic Mail Manual and International Mail Manual, both of which are available at pe.usps.gov, for additional limitations and terms of coverage.

Claims: Original customer receipt of the Express mail label must be presented when filing an indemnity claim and /or for a postage refund.

1. All claims for delay, loss, damage, or rifling must be made within 90 days of the date of mailing; for international, call 1-800-222-1811.
2. Claim forms may be obtained and filed at any post office.
3. To file a claim for damage, the article, container, and packaging must be presented to the USPS for inspection. To file a claim for loss of contents, the container and packaging must be presented to the USPS for inspection. **PLEASE DO NOT REMAIL. THANK YOU FOR CHOOSING EXPRESS MAIL.**

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
